

TRAVEL PROGRAM:

Day / May 14th, Thursday: PULA

Upon arrival, the groups will be taken to their chosen accommodation... Informative meeting to be attended by the representatives of all groups. Optional: Getting to know the town, a tour of this beautiful coastal town, swimming and relaxation... The tour continues to Pula, the largest city in Istria County, located in the southwestern part of the Istrian peninsula in a well-protected bay. The city has a long tradition of wine making, fishing, shipbuilding and tourism, while at the same time being a transit port. Pula has been the administrative center of Istria since the Roman times and even today you can find proof of this age in the Triumphal Arch of the Sergi, better known as the Golden Gate, the Temple of Augustus, mosaics, and before all else, the symbol of the city, the Colosseum (the Pula Arena). The possibility of visiting one of the night clubs. Dinner. Overnight accommodation.

Day / May 15th, Friday: PULA- ITALY AND SLOVENIA (TRIESTE - PIRAN) - PULA

Breakfast. Optional excursion to Slovenia and Italy, and the two beautiful cities of Trieste and Piran: Trieste. Trieste is a harmonious blend of Roman heritage, medieval and new century architecture. A city that has been elevated to a very high level as a result of it having been a very important Habsburg port: Miramare Castle's fairytale-like facade, the Canale Grande, the Serbian Orthodox Saint Spyridon Church, Corso Italia, the Roman Theater, Piazza della Liberta. Leisure time and lunch, pastry shops, a walk along the seashore or shopping. Departure for Slovenia and a visit to the city of Piran, the most beautiful along the Slovenian coastline: the entire old town is a labyrinth of streets, with a layout unchanged since the Middle Ages, while the main town square, only steps from the sea, honors the famous composer Tartini who lived in this city. After a short tour, leisure time until departure for Croatia and Pula. Dinner. Possible visit to Discotheque. Overnight accommodation.
